

Technical drawing of a rectangular plate with the following specifications:

- Overall Dimensions:**
 - Width: 440
 - Height: 184
- Internal Features:**
 - Two vertical dashed lines, each 6* thick, located 214 from the right edge.
 - Four circular holes with diameter $\phi 10$ and 4 mm depth, spaced 110 apart.
 - A horizontal dashed line at the bottom of the plate.
- Annotations:**
 - Circle with "п.4" pointing to the top-left corner.
 - Dimension "6*" indicating the thickness of the vertical dashed lines.
 - Dimension "40" indicating the distance from the bottom edge to the center of the holes.
 - Dimension "110" indicating the spacing between the holes.
 - Dimension "214" indicating the distance from the right edge to the vertical dashed lines.
 - Dimension "440" indicating the total width.
 - Dimension "184" indicating the total height.
 - Note: $\phi 10$ / 4 мм.
